

Statement of Community Involvement

Land at Parr Lane, Eccleston, Chorley

Erection of up to 34 dwellings and associated infrastructure

1. The application proposal is an outline application with all matters reserved. The application submission seeks approval of the principle of the development of the site for up to the number of dwellings proposed.
2. No new community consultation has been undertaken in advance of the submission of this application. The application site was previous subject to community consultation and a planning application in 2017. The application submission will be subject to consultation as part of the application process and the public will have an opportunity to respond as part of that process. As an outline application with all matters reserved, there is limited detail for public comment beyond the principle of development and as such this can be adequately captured as part of the planning application process.
